| Fan  | 2 x 40mm, 12VDC                                  |
| Sound Level  | 38 db(A)   |
| System Warning                                     | Buzzer   |
| Max. Number of<br>Concurrent Connections<br>(CIFS) | 700  |

Note: Use only QNAP memory modules to maintain system performance and stability. For NAS devices with more than one memory slot, use QNAP modules with identical specifications. Warning: Using unsupported modules may degrade performance, cause errors, or prevent the operating system from starting.

Designs and specifications are subject to change without notice.

<sup>\*</sup> Sound Level Test Environment: Refer to ISO 7779; Maximum HDD loaded; Bystander Position; Average data from 1 meter in front of operating NAS.
